ESTABLISHED LEARNING AND WELLNESS BENEFITS INCLUDE;

Biophilic Tree design brings the outdoors indoors to enhance the natural learning environment and helps children connect with our natural surroundings.

Increases warmth and natural atmosphere in learning spaces to help children feel more inclusive.

Power outlets and USB power to allow for device charging flush mounted in a vertical surface for easy and safe usage.

Reduces harsh noises from reverberation around the large open spaces, ideal for quiet zones, ILE areas, libraries, and collaboration spaces.

Promotes collaboration, togetherness and unity, and provides a 'Go to place' for those needing support.

Woven to precise specifications with high abrasion standards, repels stains for easy clean, highly durable, heavy commercial rub resistant fabric. Fire rated to AS/NZS 15-30.3

Encourages a greater sense of wellness and calmness amidst overstimulated environments and spaces.

Strong and Durable European birch plywood construction, perfect for high-use environments

Warm 3W LED lighting to uplight trunk (IP55 rated) contributing significantly to overall ambiance, comfort and hospitality of a space.
