TAKAPUNA NORMAL INTERMEDIATE SCHOOL

CUSTOM ENGRAVING

LIBRARY ISSUE STATION

A versatile and customisable addition to any library setting.

This library issue desk features a sleek and modern design with a slat wood front, giving an inviting and contemporary aesthetic.

What makes this desk truly special is its ability to be customized with your own logo, allowing your school to showcase their unique branding and identity.

TE ROHUTU WHIO SCHOOL

CUSTOM ENGRAVING

CUSTOM PRINT

BOOK NOOK

One of our most popular piece of furniture, the Book Nook.

Loved in classrooms and libraries alike, the Book Nook has endless options for customising.

This one features an engraved Maihi detail across the front of the nook, Peggo Sides plus a custom print.

From the squab cushion colour, size, sides of the nook, add a print and Maihi or enjoy without. These nooks are made for customising to suit learning spaces.

LIFE EDUCATION TRAILER

CUSTOM DESIGN

A CLASSROOM ON WHEELS

Breathing new life into learning with Harold the Giraffe!

Our team at LSG are honoured to partner with Nelson Tasman Life Education Trust to donate a revamp to their local mobile classroom trailer.

Transforming this to be a nature inspired haven where Tamariki feel comfortable to learn vital life skills with calming colours and innovative designs.

We are super excited that over 1700 kids have already benefited from this transformation. Let's empower our future generations!

“

“They transformed my classroom and I get many comments about how calming it is for students”

- Ingrid Kemp

Director of Evenful Kids and Educator for
Life Education Nelson Trust Nelson

”

MANGAWHAI LIBRARY

CUSTOM DESIGN

CUSTOM FRONT DESK

A library made new with a sleek custom library desk for Magnawhai Library.

This desk was made with custom dimensions, combining the essentials a good library setup needs.

An inbuilt book return slot, practical storage for the staff, plus a large surface for book and resources while staff are serving library users.

Library Chillax Sofa Setting

NORTHCOTE COLLEGE

CUSTOM DESIGN

LIBRARY CHILLAX SOFA SETTING

A custom firepit styled configuration made from 3 main components.

Two Chillax Sofas with extended back in Denim, paired with a Kaha Pedestal Table. Surrounded by curved library shelves around the exterior of the firepit.

Creating a cosy, quiet hub for students to read, study solo or in small groups to escape the hustle of the library.

Northcote has setup their firepits facing each other, but the beauty of this design is the flexibility to move and use them as two separate setups when their library needs change.

OSG NELSON

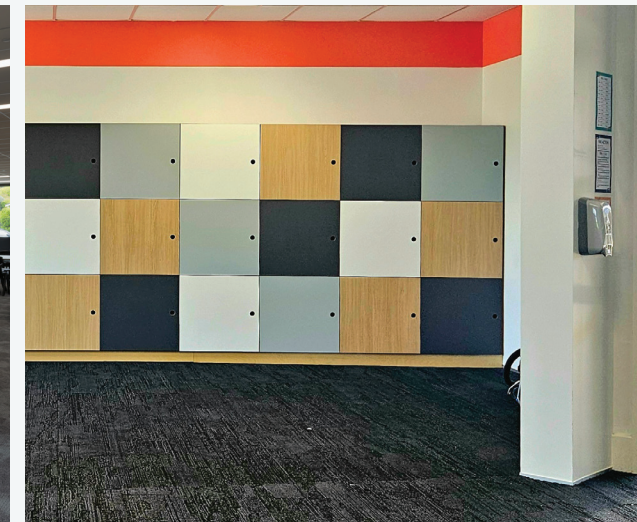

CUSTOM DESIGN CUSTOM COLOURS

CUSTOM LOCKERS

A custom cubby locker tailor made for OSG.

Giving students ample space to store their belongings during the school day, with extra large dimensions fitting even large schools bags in these locker is easy.

Alternating natural HPL colours across each of the locker doors, aligned with their schools colours. The brief of this project was to seamlessly work with their schools philosophy.

NORTH WEST CREATIVE COLLEGE

CUSTOM DESIGN CUSTOM COLOURS

CUBBY LOCKER UNITS

Every locker unit we create is unique.

These lockers we created for North West Creative College feature a checker-inspired pattern of Sage and Msit HPL (High Pressure Laminate) alternating with Birch Plywood on the doors.

Handle cutouts for a smooth finish, one of many handle styles available in our furniture range.

GULF HARBOUR PRIMARY SCHOOL

CUSTOM ENGRAVING

LIBRARY RETURN DESK

A feature in Gulf Harbours light filled library, a space with timber accents, gentle curves inviting students to linger, browse and read.

This custom piece, a station made for book returns to keep the library book rotation flowing smoothly.

Finished with the Gulf Harbour School logo engraved on the front, this piece brings the library together. Blending the schools identity into this beautiful space.

“

“From the very first meeting, the team listened carefully to our needs, and offered creative, tailored solutions. Their professionalism, responsiveness, and attention to detail made the entire process feel like a true partnership”

- Kate Ogg

Office Administrator at Gulf Harbour Primary School

”

TE ROHUTU WHIO SCHOOL

CUSTOM ENGRAVING

WHITEBOARD TEACHER STATION

These stations help make teaching easier, giving teachers quick access to their essential teaching tools and resources during class.

We added a custom engraving onto the Whiteboard Teacher Stations for Te Rohutu Whio. Weaving their school identity throughout their learning spaces.

Te Rōhutu Whio

OSG BLENHEIM

CUSTOM DESIGN

CUBBY LOCKERS

Design to suit the space and the needs of the students, these custom lockers combine generous storage with a clean, minimal aesthetic.

White fronts paired with exposed birch plywod edges create a timeless finish. Delivering a durable storage solution that feel right at home in OSG's contemporary school environment.

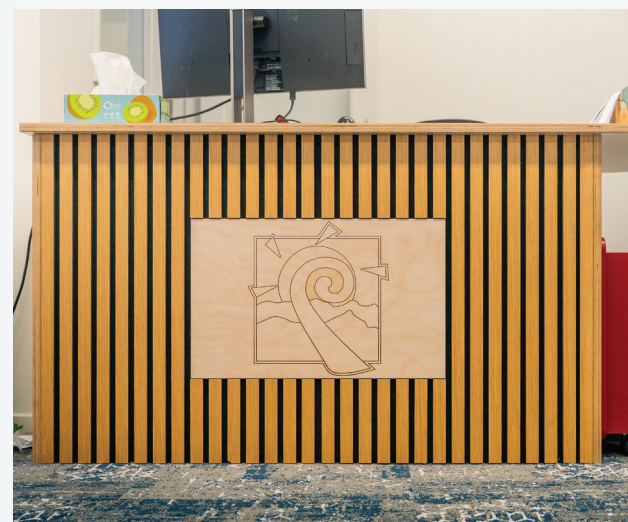

WOODLANDS PARK PRIMARY SCHOOL

CUSTOM DESIGN

LIBRARY ISSUE DESK

Found at the centre of the library this custom piece, a station made for books to be signed out and in, as students come and go.

Finished with the Woodlands Park emblem engraved on the front, this piece weaves the school's identity into their library.

BIRKENHEAD PRIMARY SCHOOL

CUSTOM DESIGN

LIBRARY CHILLAX SOFA SETTING

Featuring two custom Chillax Sofas, paired with curved library shelving to create these inviting reading hubs.

Designed with primary school students in mind, this cosy space encourage independent reading, small group collaboration, and quiet moments within the library. While maintaining the flexibility to be reconfigured as learning needs evolve.

“

Working with Tony and the team was seamless, from concept to installation, they listened, collaborated, and delivered. The result is a space that our ākonga love. It's full every lunchtime and has become one of the most valued spots in the school

- Sarah Bassett

Librarian at Birkenhead Primary School
