Kaha Kidney Table Size Guide

Finished to match our natural wooden storage range. Topped with a scratch-resistant, easy-to-clean high pressure laminate on powder coated steel legs, the Kaha range is designed to look great and withstand everyday early education use.

The kidney shape lets a teacher sit in the curve, within easy reach of every child.

"The kidney table shape is a great option for encouraging interaction between carer and child."

1200 x 800 shown with silver legs, Birch HPL top and Poppet chairs.

Shown with silver legs and Birch HPL top.
