Kaha Trapezoidal Table Size Guide

Finished to match our natural wooden storage range. Topped with a scratch-resistant, easy-to-clean high pressure laminate on powder coated steel legs, the Kaha range is designed to look great and withstand everyday early education use.

Use one on its own or combine several to build hexagons, rows and open shapes.

1200 x 520 shown with Birch HPL top and silver legs.

Possible trapezoidal table configurations.

"The trapezoidal table is one of the most versatile shapes you can work with. There are so many different configurations you can create using these tables."
